Personal Profile

I am an enthusiastic individual with a strong work ethic and high attention to detail. With excellent interpersonal skills and great self-motivation I thrive off of being busy, fully committing myself to projects that I'm passionate about and keeping everything thoroughly organised. With a high 2.1 Degree I have proven myself to be a determined, innovative, well time kept, problem solving individual with a creative flare. I am proficient in using Excel, Outlook, Word, Access, Photoshop, Website design (Wordpress, Wix, Drupal) Sibelius and Civi CRM. I am always eager to learn new skills, and push myself to the next level. I love gaining new experiences, meeting new people and never shy away from a challenge. I am a reliable productive team worker who can listen and take new things on board and often go out of my way to help others.
