Have you met Miss Jones
How high the moon
I didn't know what time it was
I get a kick out of you
I got Rhythm
I just want to make love to you
I only have eyes for you
I put a spell on you
I thought about you
I've got you under my skin
I've never been in love before
I'd rather go blind
I'm in the mood for love
I've got the world on a string
In a sentimental mood
Is you is or is you aint
It don't mean a thing
It's a man's man's man's world
It's been a long long time
It's only a paper moon
Killing me Softly
Kiss me once and kiss me twice
